Sugam Adhikari

Aspiring Data Scientist | Passionate about Data Science and
Pursuing Expertise in Deep Learning
Kathmandu, Bāgmatī, Nepal

Summary

GitHub: <https://github.com/sugamadhikari11>

While currently engaged in learning data science, my primary focus and long-term goal lie in mastering the field of deep learning. Through my studies, I am acquiring a solid foundation in data science concepts and techniques, which will serve as a strong base for my deep learning endeavors. With a deep curiosity and passion for the potential of artificial intelligence, I am dedicated to honing my skills in deep learning and using this knowledge to tackle complex problems and make significant contributions to the field.
